Welcome Message

Dear Valued Clients and Partners,

It is with great pride and commitment that I welcome you to Beemark Security Services Limited. In today's fast-changing world, security is more than just a necessity—it is a foundation for confidence, stability, and peace of mind. At Beemark Security Services Limited, we are dedicated to providing comprehensive security solutions tailored to your unique needs. Our team of highly trained professionals, combined with advanced technology and proactive strategies, ensures that we deliver reliable, efficient, and top-tier protection for our clients. Whether you require corporate security, cybersecurity, personal protection, or risk management, we stand ready to safeguard what matters most to you. We value trust, integrity, and excellence, and we strive to build long-term relationships based on accountability and performance. Your safety is our mission, and your confidence in our services drives us to innovate and improve every day. Thank you for choosing Beemark Security Services Limited as your security partner. We look forward to protecting and securing your future.

CEO, Beemark Security Services Limited

Company History

Since 2015

About BEEMARK SECURITY SERVICES LIMITED

BEEMARK SECURITY SERVICES LIMITED is a premier Security Service Provider established in 2015 as a limited liability company in the Republic of Kenya. Since its inception, the company has been at the forefront of delivering high-quality security solutions to a diverse clientele, currently serving clients nationwide.

Our Growth & Client-Centric Approach

At BEEMARK SECURITY SERVICES LIMITED, we believe that security is not just a service—it's a commitment to safety, trust, and reliability. To ensure effective protection and peace of mind for our clients, we have invested in:

- **Highly trained and skilled security personnel who uphold professionalism and integrity.**
- **Advanced security technologies and modern surveillance solutions to enhance protection.**
- **Customized security strategies tailored to meet the unique needs of each client.**

Beemark Security Services Limited

Our Vision

To be the leading security firm of choice, recognized for our unwavering commitment to excellence, trust, and innovation. We strive to create a customer-centric security culture that prioritizes satisfaction, reliability, and peace of mind. Through cutting-edge security solutions, highly trained personnel, and exceptional customer care, we aim to set new industry standards while safeguarding our clients with efficiency, integrity, and professionalism.

Our Goals

To expand our clientele base nationwide by consistently delivering exceptional security services through continuous monitoring, evaluation, and innovation. We are committed to achieving this by: ✓ Enhancing service quality through ongoing performance assessments and improvements. ✓ Leveraging technology and modern security solutions to meet evolving security challenges. ✓ Strengthening our customer relationships through proactive engagement and personalized services. ✓ Investing in the training and development of our security personnel to uphold professionalism and efficiency. ✓ Building strategic partnerships with individuals, institutions, and corporate organizations to create long-term value. ✓ Ensuring adaptability and scalability to cater to the growing security needs across diverse sectors. At BEEMARK SECURITY SERVICES LIMITED, our goal is to become the preferred security provider across Kenya and beyond, delivering unmatched protection, trust, and peace of mind to our clients.

OUR OBJECTIVES

To uphold the highest standards in security service delivery while maintaining a customer-centric approach that ensures total client satisfaction and peace of mind.

We achieve this by:

- ✓ Implementing cutting-edge security solutions tailored to diverse client needs.
- ✓ Recruiting, training, and retaining highly skilled security professionals committed to excellence.
- ✓ Providing proactive and responsive customer support to address concerns efficiently.
- ✓ Continuously improving our security strategies to adapt to evolving threats and industry best practices.
- ✓ Building long-term partnerships based on trust, reliability, and exceptional service.

At BEEMARK SECURITY SERVICES LIMITED, we are dedicated to delivering security with professionalism, efficiency, and care, ensuring our clients always feel protected and valued.

Mission

To expand our clientele base nationwide by consistently delivering exceptional security services through continuous monitoring, evaluation, and innovation. We are committed to achieving this by: ✓ Enhancing service quality through ongoing performance assessments and improvements. ✓ Leveraging technology and modern security solutions to meet evolving security challenges. ✓ Strengthening our customer relationships through proactive engagement and personalized services. ✓ Investing in the training and development of our security personnel to uphold professionalism and efficiency. ✓ Building strategic partnerships with individuals, institutions, and corporate organizations to create long-term value. ✓ Ensuring adaptability and scalability to cater to the growing security needs across diverse sectors.

Our Services

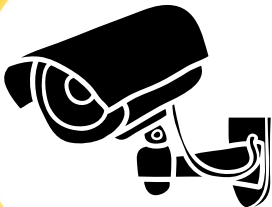

**Security Guards
&
Dog Patrols**

**Private
Investigations**

**Surveillance of
persons & Business
assets (through CCTV).**

**Dog Handling &
Training**

At **BEEMARK SECURITY SERVICES LIMITED**, we provide professional and highly trained security personnel to safeguard various sectors, ensuring safety, efficiency, and peace of mind. Our guarding services include:

1. Government Institutions Security

We provide specialized security solutions for government offices, agencies, and facilities, ensuring strict access control, surveillance, and protection against potential threats. Our security personnel are well-trained to handle high-security environments with professionalism, integrity, and discretion.

2. Corporate Security

Our corporate security services cater to business offices, commercial buildings, and industrial facilities. We focus on:

- Access control & visitor management
- 24/7 surveillance & patrolling
- Emergency response & risk mitigation
- Protection of employees, assets, and intellectual property

3. Private Properties & Residential Security

We provide tailored security solutions for gated communities, private estates, and residential buildings. Our highly trained guards ensure:

- Controlled entry & exit management
- Regular security patrols to deter unauthorized access
- Immediate response to security breaches
- Protection of homeowners and visitors

4. Bank Cash Transfer & Secure Logistics

Handling large sums of money requires highly secure transportation solutions. Our cash-in-transit services ensure the safe movement of cash and valuables through:

- Armed and trained security personnel
- Bulletproof security vehicles
- GPS tracking and real-time monitoring
- Coordination with financial institutions for secure handling

At **BEEMARK SECURITY SERVICES LIMITED**, we take pride in delivering top-tier guarding services that are tailored to meet the unique security needs of each client. Whether you need protection for government premises, corporate offices, private properties, or cash transit, we provide professionalism, vigilance, and reliability at every step.

Why Choose Us

01. Experienced & Trained Professionals

Our team consists of well trained seasoned security guards, former law enforcement personnel for VIP protection, and certified security specialists. Each member undergoes rigorous training in risk assessment, crisis management, and threat mitigation, ensuring that they are prepared to handle any security challenge with precision and professionalism.

03. Tailored Security Solutions

Security is not one-size-fits-all—every client has unique risks and challenges. We take the time to assess your specific needs, conduct risk evaluations, and design custom security plans that provide maximum protection with minimal disruption to your daily operations. Whether you require corporate security, executive protection or event security we tailor our services to ensure complete coverage and efficiency

02. Cutting Edge Technology

We leverage state-of-the-art security systems to enhance protection, including: surveillance

- ✓ AI-powered cameras for real-time monitoring
- ✓ Biometric and access control systems for restricted areas
- ✓ Advanced alarm and intrusion detection systems
- ✓ GPS tracking & mobile security solutions for rapid response

04. 24/7 Support & Rapid Response

Threats and emergencies can arise at any time, which is why we offer round-the-clock monitoring and rapid response services. Our security teams are trained to:

- ✓ Respond immediately to security breaches or alarms
- ✓ Implement emergency protocols to ensure safety and continuity
- ✓ Coordinate with law enforcement and emergency services when necessary
- ✓ Provide real-time communication and updates to clients during incidents

Memberships and Accreditations Entities

At BEEMARK SECURITY SERVICES LIMITED, we take pride in being a recognized and accredited security service provider, committed to upholding the highest industry standards. Our memberships and accreditations with renowned regulatory bodies and professional associations reinforce our dedication to excellence, compliance, and continuous improvement. These affiliations ensure that our security services meet local and international best practices, providing our clients with trustworthy, reliable, and professional security solutions.

1. Kenya Revenue Authority (KRA) Value Added Tax (VAT) & Compliance Certificate

We are fully registered with the Kenya Revenue Authority (KRA) and compliant with Value Added Tax (VAT) regulations. This guarantees that all our financial operations adhere to the country's tax policies, reinforcing our credibility, transparency, and responsible business practices.

2. National Social Security Fund (NSSF) Compliance

We prioritize the long-term financial security of our employees by ensuring full compliance with the National Social Security Fund (NSSF). This provides our workforce with:

- Retirement benefits for future financial stability.
- Disability and survivor benefits for added protection.
- Adherence to national labor and employment regulations.

Our commitment to NSSF contributions underscores our role as a responsible and employee-focused organization.

3. Social Health Authority (SHA) Compliance

Recognizing the importance of employee well-being and healthcare security, we ensure that all our employees are covered under the Social Health Authority (SHA). Established to replace the National Hospital Insurance Fund (NHIF) as of October 1, 2024, the SHA aims to provide affordable, accessible, and quality healthcare services to all Kenyans. By enrolling our employees in the SHA, we guarantee them access to:

- Comprehensive healthcare services, including outpatient and inpatient care.
- Maternity care, surgical procedures, and specialized treatments.
- Financial relief in case of medical emergencies.

This initiative reflects our dedication to enhancing employee health and well-being, leading to a motivated and productive workforce.

4. Private Security Regulatory Authority (PSRA) Certification

We are fully licensed and accredited by the Private Security Regulatory Authority (PSRA), the governing body responsible for regulating private security services in Kenya. This certification ensures that BEEMARK SECURITY SERVICES LIMITED:

- Operates legally and adheres to all industry standards. Employs
- trained, vetted, and qualified security personnel. Maintains high
- levels of integrity, accountability, and professionalism. Implements
- best security practices to enhance safety and efficiency.
